GMC Athletics Hall of Fame

Dr. James M. Pollock, President 1977-'94
Guided Green Mountain College from a two-year women's school to a four-year coeducational institution. Reestablished the college's athletic programs and brought them up to date, going from a couple of sports to nine varsity teams including men's and women's soccer, men's and women's basketball, men's and women's skiing, women's volleyball, women's softball and men's lacrosse. Moved the college into the National Association of Intercollegiate Athletics (NAIA) and the Mayflower Conference, as well as the United States Collegiate Ski Association. During his presidency the college had numerous academic All-Americans, All-New England and All-Conference players in all sports. In 1994 the GMC Board of Trustees honored Dr. Pollock by re-naming the administrative building "Pollock Hall."
