GMC Athletics Hall of Fame

Dr. Jesse Bogue, President 1932 -1946
Guided Troy Conference Academy to college status in the early 1930's. Through his encouragement and guidance, athletics were introduced. Started football, basketball, baseball, track and tennis. He was a strong believer in physical fitness and the benefits of athletics participation. In 1960, in recognition of his contributions to Troy Conference Academy and Green Mountain Junior College, the college Board of Trustees named "Bogue Hall" in his honor.
