rolling grant application

Date _____

Project description/title _____

Lead student name _____ Class year _____

Email address _____ Phone number _____

Other student(s) involved _____

Faculty/Staff *project advisor* _____

Total amount requested _____

Instructions: Please address each of the following questions in a typed document using this form as a cover sheet (above portion can be handwritten).

1. Describe the need or issue that your project addresses.
2. Describe your solution to that need (i.e. what's your project?).
3. How does your project tie into GMC's [Sustainability 2020 Strategic Plan](#)? Describe a connection between your project and at least one initiative outlined in the plan. (i.e. My project relates to initiative 1C: "Deepen student and employee engagement in the college's endeavors to promote innovation and retention" because...) We will be more likely to fund your project if you connect it to several initiatives in the Strategic Plan.
4. Who will be implementing the project? Are you hiring help from outside GMC?
5. What material resources will you be using/purchasing? Where are they from? Give a detailed and specific project budget. Include costs for materials, labor, future maintenance, and (if applicable) anticipated savings.
6. Give a realistic timeline of your project, including future maintenance requirements.
7. How will you measure the project's success? What evidence will you provide of the successful completion of the project?
