First-time Freshmen: An official high school transcript, including your senior-year schedule, must accompany your application. In addition, if you are submitting test scores, your SAT or ACT exam scores should be forwarded to GMC from the testing service or via your official transcript. If you are opting not to submit test scores, you will be required to complete the Insight Portfolio (on pages 8 – 9) and submit a graded high school paper.

Transfer Students: Official transcripts of all previous college work must accompany your application. For transfer students who have attempted less than 24 credit-hours of college work (at the time of application), an official high school transcript must also be provided. In the space provided below, or on a separate sheet if necessary, please describe which of these activities (extracurricular and personal activities or work experience) has had the most meaning for you, and why.
Green Mountain College allows prospective students to submit an Insight Portfolio and a graded high school paper instead of providing standardized test scores (SAT or ACT). Your short essays will help us to evaluate your candidacy for admission. Select three of the following prompts and write a brief (maximum 100 word) statement for each. Select prompts that will best reflect the qualities that you think will demonstrate your suitability for Green Mountain College.

1. Leadership. Describe one or more examples of leadership experience in which you have significantly influenced others or contributed to the success of a group over time. The experience(s) you describe may be in or out of school.

2. Creativity/specialized knowledge or skill. Describe a special interest that you have which makes you proud. Explain how you have demonstrated creativity in that area or developed a special talent or skill.

3. Dealing with adversity. Describe a significant challenge that you have had to face, the steps you took to address the challenge, and what you learned about yourself in the process.

4. Community service. What experiences have you had that contribute to making your community a better place in which to live? Mention specific projects or initiatives and outcomes.

5. Environmental awareness. Do you feel that the environmental liberal arts focus at Green Mountain College is a good fit for your interests? Why?

6. Goal accomplishment. Describe one or more specific goals that you set for yourself and how you demonstrated diligence and a strong work ethic to accomplish the goal(s).
