Green Mountain College Tuition Rates and Employee Enrollment Policies
2015-2016

Full-time tuition:
$33,898.00 for the 2015-2016 academic year; given an average course load for ten courses or 30 credits per academic year this rate is equivalent to $3,390.00 per three credit course or $1,130.00 per credit hour.

Part-time tuition for 6 credits per semester or less:
$2,034.00 per three-credit course or $678.00 per credit hour; this rate is applicable only for part-time non-matriculated (max. of 15 credits over life) students who enroll for 6 credit hours or less per term. No institutional financial aid is applicable. Students are subject to applicable class fees. All costs are payable at time of registration.

Community Tuition Rate:
$1,017.00 per three-credit course or $339.00 per credit hour; this rate is applicable only for part-time, non-matriculating students who enroll for 6 credit hours or less per term, and who are permanent residents of the town of Poultney (proof of residency required). Admission at the community rate can only be granted after full-time students have been accommodated. No institutional financial aid is applicable. Students are subject to applicable class fees. All costs are payable at time of registration.

Non-credit Tuition-Rate: Audit
$1,017.00 per three-credit course or $339.00 per credit hour; this rate is applicable only for part-time, non-matriculating students who enroll for 6 credit hours or less per term, and who wish to take courses on a not-for-credit (audit) basis. Students who audit a course will not receive a course grade and will be accommodated only with permission of the instructor. Students are subject to applicable class fees. No institutional financial aid is applicable.

Senior Scholars:
Available to persons 60 years of age and older – preference to Poultney residents. One course per semester may be audited without charge; courses taken for credit will be available at $576.00 per course. A total of two courses or 6 credit hours (including an audited class) may be taken by non-matriculating seniors. Students are subject to applicable class fees. No institutional financial aid is applicable.

Poultney High School Scholars Program (For students not eligible for Dual Enrollment or courses in excess of Dual Enrollment):
Available to gifted and talented Poultney High School students, subject to recommendation of the High School. The program is limited to two courses or up to 8 credit hours per semester if course(s) include a lab. Tuition is $200.00 for the first course plus applicable course fees (which are paid by the High School) and $250.00 for the second course plus applicable course fee payable by student/family prior to the start of the first class.

Poultney High School Student/Dependent of GMC Employee: (All tuition cancellation requires employees to be full time for 90 days.)
If a student falls under this category, they may take up to 10 credits per semester. The first course would fall under the agreement between PHS and GMC. The additional credits would be at the rate of $250.00 to be paid through Tuition Cancellation Employee Benefits for designated departments and approval of the responsible cabinet member. Since this is a tuition benefit, any applicable course fee is the responsibility of the dependent or employee.

Young Scholars Program (For students not eligible for Dual Enrollment or courses in excess of Dual Enrollment):
Available to gifted and talented high school age students (non-matriculating), subject to standard admission process. The program is limited to two 3 courses or up to 8 credit hours per semester if course(s) include a lab. Tuition is $250.00 per course plus applicable class fees payable by student/family prior to the start of the first class.

Tuition-free Status: (All tuition cancellation requires employees to be full time for 90 days.)
Full-time employees of Green Mountain College are eligible to enroll in one undergraduate course per semester free of charge. A second course per semester may be requested but is contingent upon arrangements for compensatory time being made with the employee’s direct supervisor and requires the approval of the responsible cabinet officer as this is a Tuition Cancellation Employee Benefit and the cost of each course is assessed to designated departments. Since this is a tuition benefit, any
applicable course fee is the responsibility of the employee. Green Mountain College employees can only be granted course admission after full-time, tuition paying students have been accommodated.

Spouses and civil union partners of full-time employees of Green Mountain College are eligible to take two undergraduate courses per semester free of charge. Approval of the responsible cabinet officer is required as this is a Tuition Cancellation Employee Benefit and the cost of each course is assessed to designated departments. Since this is a tuition benefit, any applicable course fee is the responsibility of the employee/spouse/civil union partner. Course admission can only be granted after full-time tuition paying students have been accommodated. Consideration for additional courses is determined on an individual basis.

Dependent children (up to two dependents per academic year) of full-time employees of Green Mountain College are eligible to enroll as full-time undergraduate students free of tuition charges. Admission is subject to the college’s admissions policies and cannot be guaranteed. Financial aid application is also required. All fees apply as listed in the college catalogue and/or the college web site. Dependents who wish to be admitted as full-time residential students are subject to room and board charges as listed in the college catalogue.

Dependent children may be eligible and receive tuition discounts/benefits at other institutions as part of the tuition exchange program.

These tuition exemptions are not applicable to summer courses or special programs. Summer course and special program tuition rates apply as listed in the respective course materials and announcements
